What a fantastic shoot, Shaun Peckham and his team dug deep to put on a really great three days shooting. The targets were of World championship class, done on the new layout system of three stands per layout and no mess anywhere, everything ran to time, transport to the layout was ready and waiting, the Ref's and ground staff greeted all with a smile and friendly banter.

The weather was just right as well, Michell and her assistants were there to see all were fed with great grub and a smile. Our very own G/L shooter Aldis Kartocius won the shoot with a fantastic score of 94, he must have been firing on all cylinders, well done. A great turn out by G/L shooters Jenifer Hampson who only last week was in hospital having an operation turned out to shoot, well done Jenifer and thanks to all G/L shooters, the results can be viewed on our web page.

The team for the south east Region FITASC Intercounties are Aldis Kartocius, John Ellison, Nevil Jay, Roger Butler, David Tagg, reserve Kevin Douglas, Vet Vince Johnson, Lady Jenifer Hampson, Junior Fabio Dimaria. Now please remember that all FITASC shooters over 55 are classed as Veteran and should register as a Vet and in their class as well as the team is made up of 5 snrs, 1 vet, 1 lady, 1 colt 1 jnr. The top 5 scores of the County shoot make up the team, then the top vet etc, so if you don't make the top 5 you might make up one of the other places.
