The Greater London Single Barrel Championship 2010 for the Pinewood Motors Cup were held at Bisley Gun Club. Held in conjunction with the Bisley Gun Club S/Barrel Championships and also the Sussex S/Barrel Championships.

A total of 52 shooters turned up on the day to contest the three championships, finishing in a shoot off for High Gun eventually won by Mr J Inglis.

The morning started very bright and sunny but with a frost that kept the temperatures down, and with the strong headwind all day that made it at sometimes extremely cold, with the wind affecting both clays and shooters. The targets were first class and the whole day ran very well, thanks to Bisley Gun Club management.

The Greater London Championship was won by Rohan Murphy who shot a 91/100, with Eamon Skehan hot on his heels who took the Veteran Champion with 90/100. Karen Allen took the Ladies Championship with an 80/100 and Sophie Weller with 60/100 taking the Colts Title.

Thanks go to Alan Piper for looking after the day for the county, results, report and photo.
