FITASC Sporting Team Manager Tom Wingham recovering from injury made his first shooting outing this year to attend this event which saw a total of 15 shooters from Greater London enter, of those there were nine seniors and six veterans. Congratulations to Champion Neville Jay who was closely presued by joint Runners Up J Ellison and K Douglas. Well done Tom for the Vets title.

Over the three days the weather was sunny and reasonably warm but it was the very windy conditions and this combined with the technically testing targets made the shooting as Tom put it 'very entertaining'. Otherwise the event was well run and as usual the catering kept the entry suitably fuelled – our thanks to everyone involved in running the event.
