

### **Bedfordshire Around Championship 2016.**

On the 24th April, Beds held their county all-round championships at Northampton shooting ground. We chose this date as it was also the East Midlands regional all-round championships and had hoped this may encourage a few more Beds shooters to attend. Unfortunately due to a clash of fixtures, a lot were away on premier league duties.

Ten shooters competed and the weather was good - a bit fresh but fine and the clays weren't really affected by the light breeze which in turn, led to good scores.

The final results were - Champion, S.M. Janes - 91, Who also took the East Midlands title.

Runner-Up, Bert Mason - 85, then three vets, Pete Coxall, J. Stanton and J. Munday all on 82, C. Bowen - 80, S. Smith - 74, Scott Whitelock and G. Smith - 73, K. Weaver - 61.

Unfortunately no ladies or Juniors entered.

A big thanks to all that did attend, and to Martine, Pete, Roy and all the staff at Northampton shooting ground for a well organised shoot.

Could Beds shooters check out the Beds CPSA website for the remainder of this years county fixtures.

Bert Mason,  
Team Manager.
