

Bedfordshire Clay Pigeon Shooting Association

Bedfordshire English Skeet Championships 2016

On June the 12th, Beds held their county skeet championships at Northampton shooting ground. Unfortunately only 6 shooters bothered to contest the title this year, whether this was down to the wet conditions or just a lack of interest, but it was disappointing that more county shooters didn't support the event.

The results were: Champion, Bert Mason on 97 ex 100. Runner up was Stuart Clarke on 92. First Vet was Paul Hopkins also on 92, then came Stephen Page, Neil Hallybone, P. Meadley-Robe, all on 91. Many thanks for those that attended and for Northampton shooting ground for their hospitality.

Could Beds shooters check out the Beds CPSA website for the remainder of this years county fixtures.

Bert Mason,
Team Manager.
