

Bedfordshire CPSA

DTL Championship 2016.

After some confusion over the date of the Beds County DTL, the number of shooters attending was lower than in previous years.

With a stiff breeze to contend with, quite a few of Northampton Shooting Grounds clays got away untouched Phil Coxall-a stalwart of many of Bedfordshire's County shoots was out early and posted a respectable score in the conditions. On their way back from shooting the European & World DTL Championships in Ireland, Clive & Helen Bowen shot their rounds during the early afternoon. No other Beds shooters attended and that left the following results-

Beds Senior County DTL Champion-Clive Bowen	91/269
Beds Veteran County DTL Champion-Phil Coxall	92/263
Beds Ladies County DTL Champion-Helen Bowen	78/216

Clive Bowen gains International Cap

At the recent DTL Home Countries International Trophy in Northern Ireland, local Bedfordshire shooter Clive Bowen, gained his first International cap for Wales.

The following week at Esker SG in Eire at the European DTL Championships, Clive won a Silver Medal as Class Runner-Up at the 3-day shoot.
