

Bedfordshire Clay Pigeon Shooting Association

FITASC Championship 2016.

18 county shooters booked into the FITASC held at Sporting Targets in May to see who would be crowned Champion, of the 18 we only had 1 lady and 1 junior, 5 vets and 11 seniors. The course was tricky but fair with some good long targets but no massive targets that weren't fit, it was a good test for the FITASC shooters present.

Friday was a perfect shooting day, no wind or rain and clear skies, Saturday was overcast and windy, as a result the better scores came from the Friday with Dave Ferriman shooting 87 to take the county title closely followed by Steve Whinnett on 82, Becky shot 67 for the ladies and Pip Bayley 85 to take the veterans title.

Thanks to you all for shooting the championship, see you at the inter-counties.

Could Beds shooters check out the **new** Bedfordshire CPSA website for the remainder of the years fixtures.
