

Bedfordshire

**THE IAN CLIFTON TROPHY 2019**  
**Final Report**

The winner of the 2019 Ian Clifton Trophy is:-

David Hallybone

Runner up is

Dean Quince

The final was shot using the Sunday scores from the Jack Pyke 120 ESP run at Sporting Targets Limited between 19<sup>th</sup> to the 23<sup>rd</sup> of June.

The conditions, extra stands, stamina and concentration all take their toll but is meant to show the importance of every hit target and the narrow margins between success and failure.

The final reckoning showed it was not a close contest and Dean Quince suffered having had his handicap increased due to his being promoted to A class between the semi finals and the final. However, congratulations to David Hallybone who would still have prevailed if both had remained in B class.

The Ian Clifton Trophy has produced three different winners in three years. All Bedfordshire shooters please enter next year. It may be your name is next on the trophy.

Many thanks to all the referees and ground staff for all their efforts in every round in making what we hope you will consider to be a worthwhile competition.

For more information please see Beds CPSA website and Facebook.
