**THE IAN CLIFTON TROPHY 2019**  
**Q4 Report**

The coldest May Bank Holiday on record challenged the remaining 4 Beds CPSA shooters for the start of the fourth round and semi-finals of the 2019 Ian Clifton Trophy.

At this stage we have one A and three B class competitors

In the first semi J Munday (A) would have to beat DM Quince (B) by 5 stands to overcome the handicap. J Munday (A) only winning by 3 stands saw DM Quince (B) through to the Final.

In the second semi both shooters being the same class, in this case B class, no handicap applies and whoever won the most stands wins.

D Hallybone beat DA Stanbridge by 4 stands and is our other finalist

Congratulations to our 2019 finalists and both representing B class are :-

DM Quince  
D Hallybone

The final will be shot using the scores from the Jack Pyke.

Thanks to all the referees and ground staff for the smooth running of the day.
