On 23rd July Beds held their English Skeet Championship in conjunction with the regional skeet at Northampton shooting ground.

The weather was changeable with early squads having bright conditions but with quite a strong gusting wind, mainly affecting the low house birds. By late morning it clouded over and for around 20 minutes there was an absolute downpour before easing to a drizzle.

11 shooters competed and the results are as follows:

County Champion - Bert Mason 95

Equal Runner Up - Steve Whinnett & Neil Hallybone both on 94

Vets Champion - Phil Coxall 93

Vets Runner Up - Peter Green 75

Junior Champion (in only his 4th comp) - Adam Hallybone 93

The remaining scores are as follows:

Stuart Clarke 92

Phillip Medley Roberts 90

Steve Page 81

Stephen Smith 81

Gavin Smith 77

I would like to thank everyone who attended especially Paul Hopkins even though he is very poorly he made a massive effort to attend but unfortunately found the going a bit tough and had to retire on the second layout. A big thank you to him.

Finally a big thanks to Martine and the team at Northampton for always making us feel welcome.

Bert Mason
