

Bedfordshire Sportrap Championship 2016.

Held alongside the Regional Championship 24 county shooters took part in the Sportrap held at Sporting Targets 27 & 28 August 2016, unfortunately we had no juniors or ladies taking part this year.

The course was held over 4 layouts and was set with the simo pairs being tricky in knowing which clay to shoot first, it wasn't always obvious until it was too late!!

Both days were similar in weather term with the exception of the downpour we experienced for the last squad on Saturday and boy did it rain!!

Steve Whitelock shot a brilliant 95 which gave him both County and Regional Champion, a brilliant score, top shooting, next was Bert Mason on 91 and then David Ferriman on 89

Thanks to you all for shooting the championship.
