

DTL GP – Southern Counties 17 & 18 September 2011

Southern counties held their annual Grand Prix and as usual it was well supported by members of **Mayland Gun Club**. As is the norm for this event there were blustery conditions on the Saturday, but this was not enough to stop **Matthew Holley** from shooting his first 100 straight (100/290) well done Matthew.

Sunday saw the addition of rain to go with the wind, luckily no fog for the early starts! By lunch time there were a number of nervous Mayland club members eagerly awaiting results of those still shooting and by 14:45 all the scores were in!!

Matthew took first place in the Juniors along with a brand new Fausti 12g sporter, Bryan Farr took first place in the Vets also picking up a gun, Nathan Hodgkins took 2nd place in A class, Dave Lewzey took 2nd in B class, Roger Seeley took 5th & Shane Maynard took 2nd place in C class. Well done to all those who made the trip and many thanks to Nathan who submitted this report.
