A capacity entry of 16 squads at Bisley Gun Club with 27 shooters from Greater London who entered the DTL county championship. This resulted in lots of socialising alongside the shooting.

A windy day with a mixture of cloud and some sunshine, but rarely very warm for July, in spite of this at the end of a long day an exciting shoot off over 50 birds took place to settle who was going to be County Champion. Ossie Ahmet just clinched the title over competitor Ron Richards.

Excellent clay targets to shoot at and a constant supply of good grub in the clubhouse, our thanks to the Bisley team for a very enjoyable days shooting.
