

# Greater London County

## DTL Championship

**Saturday 7<sup>th</sup> July 2012 at NCSC Bisley**

The National Clay Shooting Centre was our venue for the day and the British weather didn't let us down for this event, variable weather conditions dished up in spectacular fashion...from Sunshine to stair rods. The waterproofs made yet another appearance.....but the 'hardcore shooters' turned out with smiles on their faces to put lead in the air and good scores were put in for this Greater London Shoot despite the conditions.

Well done to all those who attended and braved the elements.

Mr Alan Piper taking high gun on 98/288 and claiming a very large County Championship trophy, in which us 'small' people could probably drown.....well done Alan.
