Report:-

With a total of 39 entries of which 12 were from Greater London, everyone was treated to very wet weather for most of the morning, luckily the wind behaved and threw in the odd gust to catch people out. The bonus was however, the almost uniform dove grey sky giving a good backdrop to see the clays.

From the results our two youngsters came out tops with Colt Charlie Maddon scoring 96/283 and taking the champion crown and silver perpetual trophy. Just one point behind was Colt Hermione Burns with an excellent score of 98/282. The top veteran was long standing G/L supporter Eamon Skehan with 95/273.

As usual our thanks go to the Bisley Gun Club team for a smooth well run event and to the catering, for keeping shooters going.
