A very small turn out from Greater London, maybe word got out that the caterers would not turn up! So no food was available for the day.

The weather was good cloudy with sunny spells. Some challenging targets reflected in the scores. A lot of concentration was required with the amount of single targets.

Congratulations to Neville Jay scoring 83 both Champion and Top Veteran, joint Runners Up R Butler and D Gregory both 76. Ladies Champion Sian Hoskins 69 also beating Hubby Tony.

No photos as no Greater London winners were left at the end.
