Rain threatened, and wind blew just enough to make some lively targets that required some serious attention and a steady first barrel; use that second one and it was a bit of a lottery.

The Champion was Lee Wakefield who kept a steady nerve and scored an excellent 14. A single target shoot-off, moving back each time, decided the runner up.

Always a pleasure to shoot at A1SG and my thanks, on behalf of Greater London, go to Claudio, Teresa and everyone else involved.
