An excellent turnout from Greater London, putting the other counties to shame. 15 G/L shooters competed for the title in difficult conditions. Once again Metin Cencki emerged the Champion after a sudden death shoot off with Peter Read. Dorothy Fleri was the Lady Champion and Peter Read was the Veteran Champion.

The weather was dry for a change, and turned out sunny in the afternoon. We all had a lovely day despite our low scores. My thanks on behalf of Greater London go to Barry Desborough and the NCSC for holding this event.
