A scorching day, 32 degrees, welcomed the 39 entrants for this multi county championship with 9 from Greater London.

The Champion after a shoot off with Emre Baran was Tim Connolly with 85/100

Sadly Peter Read had gone home.

The Lady Champion with 78/100 was Dorothy Fleri

The Colt Champion with 72/100 was Hermione Burns

The Veteran Champion with 85 was Peter Read

It was nice to see we had a Colt Champion who shot very well in her first OT Competition.

A poor turnout due to clashes with an abundance of other competitions

By the end of the day I wanted to die of the heat.

Thanks go to Barry and the team at NCSC for another successful Shoot.
