The Bisley Camp did not disappoint with the weather, the previous day it had been warm and sunny however on the Sunday 27<sup>th</sup>, it was bitterly cold with a strong wind and an early morning fog/mist which did not clear for most of the day. This did not help as visibility early on it was poor.

However a good number of shooters attended in total 59 with 7 from Greater London.

Greater London County Champion was Cemel Seziner with a score of 85, and Emre Baran runner-up with 81. Dorothy Fleri was the Lady Class winner with 59. Thanks go to the workers who kept everything running smoothly, and the caterers who fed us.

Having had problems over cloth badges running up to the start of our fixtures, we were lucky to receive the shipment from Pakistan and able to present Cemel with his county champion badge.
