The DTL season kicked off at NCSC Bisley with the single barrel county event. Overall good conditions on a bright and clear day but a stiff breeze downrange lead to the odd dipping target especially when thrown left to right. Good efforts all around from the Greater London guns involved, with many scores in the high 80s and 90s. Victor Parry finished in 1st place with 94/100 and Ka Ki Lau the runner up with 88/100. Gerard O'Looney finished as the top veteran with 87/100. Thanks to everyone who made the trip down to compete and to NCSC Bisley for hosting.
