ARRANGE SHOOT OFF
ARRANGE SHOOT OFF

There were only six shooters on the day, there were other Greater London shooters at the ground but they decided to shoot Down The line and not Single Barrel.

The weather stayed dry but there was a stiff wind that made some of the targets quite tricky and challenging.

You will see from the scores below that Dennis and Ronan both had the same score, they had both left when the shooting had finished. Once the scores were checked they were contacted and they have decided to have a shoot off between them, this is being arranged between the two of them so we cannot give the full results for the competition. The only confirmed result is that Fergie Mills is the Veteran champion. When we have the confirmed result we will update the results.
