The Greater London Single Barrel Championships were held at Bisley Gun Club.

They were held in conjunction with the Bisley Gun Club S/B Championships and also the Sussex S/B Championships. A total of 55 shooters turned up on the day to contest the three championships.

The targets were first class and the whole day ran very well, thanks to Bisley Gun Club.

The weather was perfect for shooting the sun shone all day with a little breeze on occasions. And after the recent changeable weather it made a nice change to be able to just stand in the warm sunshine.

The Greater London Championship was won by Alan Piper who shot a 94/100, with Karen Allen taking the Ladies Championship with a 86/100 and Tony Hester was the Veteran Champion with 84/100.

The presentation of the Greater London S/B Trophy and Championship badge were made by our own Sandie Buckler the CPSA S/E Regional Secretary.
