Cold and damp start to the day but eventually the sun came out and the day got warmer. We had 44 entries and in the end Andrew Stratford and Joe Robbins went into a shoot off to decide the winner having not dropped a target during the competition.

Oxfordshire and Sussex were level much of the way and it was down to the last 2 targets when Oxfordshire squeaked past Sussex to take the lead by just one target.

Thanks to everyone at Invicta for holding a great event and well done to all the winners.
