

CPSA South East Region Olympic Trap

25th July
NCSC

Event Report: Despite the weather forecast of thundery showers we managed to get away with very little rain and it stayed quite warm. However, it was very overcast all day which led to some difficulty in seeing the clays. That didn't stop Keith Kilvington from putting in an excellent score of 92/100, 8 targets clear of second place. Keith also took the Veterans title.

Finley Bowles won the Colts title having only shot OT once before with a great 75/100. James Radford won the Juniors with 65/100 and Ceyla Ismet won the Ladies title with 65/100

Team Essex who won today's South East Regional Inter-Counties Olympic Trap Championship with an overall score of 371/500 closely followed by Berkshire with 369/500.
